

LACY INTERNSHIP ASSISTANCE PROGRAM

The Robert J. Dole Institute of Politics has established the Lacy Internship Assistance Program to offer financial assistance to students at the University of Kansas in pursuit of careers in public service, politics, museum/archival studies or related fields and supports student learning opportunities beyond the classroom by providing financial assistance to offset the travel and living expenses associated with an internship.

The Lacy Internship Assistance Program is open to all eligible University of Kansas students from all majors and without regard to race, gender, or ethnicity who are enrolled in the semester immediately prior to or immediately following the internship period, preference is given to students who are active members of, and in good standing with, the Dole Institute of Politics Student Advisory Board (SAB). To join the SAB, students may contact the Dole Institute at any time during the school year.

Established with an existing donation from Chuck and Diane Frickey, the Lacy Internship Assistance Program provides students with financial assistance for experiential learning opportunities and will continue in perpetuity with support from the Friends of the Dole Institute.

Notification and disbursement of awards:

The internship assistance will be awarded by a selection committee at the Dole Institute of Politics. Applicants will be notified of their award status starting May 1 for summer and fall, and starting Dec. 1 for winter break and spring. Funds must be used for time period applied for.
